INFORMATION IN R/O ADMISSIONS 2020-21

Dear Candidates / Parents,

1. The situation due to COVID-19 pandemic has caused much uncertainties in fixing the new admission schedule by both the regulatory authorities and the institutions, since Apr 2020 to date.

2. The revised dates of MAH LLB (5Yrs) 2020 are still awaited which are likely to be in consonance with the pandemic situation and decision by the Govt of Maharashtra. The Institution has also sought clarity on the admission process from the concerned authorities.

3. Notwithstanding the above fact, the Institution is geared up to function through the online medium and the curriculum of the existing batches is being covered remotely through sharing of E-content in the form of class room recorded lessons of high quality and conduct of online VC interaction and online webinars sponsored by the Institution. 11 webinars were conducted in pre- academic session in July 2020.

4. We are happy that there has been overwhelming response from candidates to apply for the admission to 1st Year BBA LLB Course 2020-21. On our part we resolve to promptly announce the admission list once the admission procedure is clarified by the regulatory authorities. The institution offers a safe campus in salubrious natural environment with all the necessary facilities for academic pursuit.

5. I urge all candidates to ensure that their **SSC (12th Class)/ equivalent exam** mark sheet is uploaded in the specific link provided in online admission form at documents upload, which can be accessed through login ID already created while submitting their applications. A copy of the mark sheet should also be dispatched by email at admission.alcpune@gmail.com. Besides the **Details of Field Service** in r/o parents which have not yet been submitted should be forwarded as per format at the above email address. Both of the above documents are mandatory for candidates seeking admission to 1st Year BBA LLB at this Army Law College, Pune.
